

RECYCLING IS REQUIRED AS PART OF YOUR ABC LICENSE

Beverage Containers!

Per G.S 18B-1006.1, ABC Permit Holders are **required** to recycle ABC beverage containers sold on premises.

All beverage containers that are recyclable, such as glass bottles, plastic bottles and aluminum cans **MUST** be placed in the recycle bin. This includes all containers, even if the container did not originally hold an alcoholic beverage (plastic water bottles and soda cans). Containers sold for individual consumption (beer bottles) and larger containers that individual drinks are poured from (wine bottles and spirituous liquor bottles) must be collected and recycled.
